

# Product Guide

## User and Maintenance Information

**IMPORTANT INFORMATION:**  
Please save this product guide.

### Recommended Use

These small aviation toys are simple, graceful and strong. They can be a valuable aid to the growing child, encouraging small motor activity. Recommended for children between the ages of 1-1/2 and 6 years.

#### **⚠ WARNING**

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

#### **⚠ CAUTION**

- ▲ Store Indoors. These aviation toys are not water-proof.

### Maintenance

Periodically inspect for cracks, breaks, loose, or missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

## T51 Helicopter T76 Airplane

### Cleaning

Wipe with a damp cloth and a mild detergent. Do not use excessive water.

### Construction

The wooden components are manufactured of solid maple, with durable birch plywood. They are finished with a clear nontoxic finish.

The steel screws are zinc plated to protect them from rust.

Airplanes roll on tough Delrin axles and rugged rubber tires.

### User Modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

### Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed and the ID Code from the product.

**Use only replacement parts supplied by Community Playthings.**
