

Product Guide

User and Maintenance Information

Important Information:
Please save this product guide.

Recommended Use

Easy to grasp and stack, and just the right size for small trucks to roll on. These blocks make a great addition to your Unit Blocks or your Hollow Blocks. All dimensions are modular with either set. Mini Hollow Blocks should be stored indoors as prolonged exposure will spoil them.

For children aged 2-8.

⚠ CAUTION

▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.

Assembly

Use the table below to determine if your set is complete.

If your shipment is incomplete, please call Customer Service.

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

With hard use, your Hollow Blocks may become roughened. Sand them all over with fine sandpaper. Then paint with any good quality penetrating sealer (we suggest Pratt and Lambert, Sherwin Williams, or Devco). Be sure to check your finish for the label "safe for children's toys."

Mini Hollow Blocks Same Shape Sets

Cleaning

You can wash your blocks, but remember, wood and water are natural enemies. Don't soak; work fast, use a stiff brush with soap and water (or a detergent, as you would for washing dishes). Let the blocks dry thoroughly before play begins.

Construction

All blocks are made of solid maple with rounded corners and durable zinc plated screws.

User Modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed.

Use only replacement parts supplied by Community Playthings.
