Assembly

Your belt comes in one carton ready to fasten to your chair. Inside are:

- 1 The J439 seatbelt.
- 2 This information sheet.

If your shipment is incomplete, please contact Customer Service.

Operation

To attach seatbelt, thread buckle up through gap at back of seat and push clips into indentations on back.

Correct installation of the belts is essential for reliable service. Please double check your work. Before placing the product into service give a firm pull on each side of the belt to be sure it is secure.

Maintenance

Periodically inspect for loose threads, broken components, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Cleaning

Seat belt is removable and machine washable.

Construction

Seatbelt is made of sturdy polypropylene webbing and the locking buckle and attachment clips are made of durable plastic.
