## H11 Vise

### Recommended Use

This solidly-built vise holds work pieces safely and securely.

#### ⚠ WARNING

- ▲ This product is intended for use by children of immature judgment, therefore supervision is required at all times.
- ▲ This is a real vise which can apply real pressure to fingers and other parts of the body! Keep fingers away from the clamping area!
- ▲ You must securely attach the vise screw assembly (Figure A) according to directions.

#### ⚠ CAUTION

For indoor use only. The Vise is not waterproof.

### Assembly

This product comes in one carton containing your Vise assembly, Mount Block (wooden), prepack of eight screws, and hand screwdriver

To attach Vise Assembly to Workbench :

1. Lay Workbench upside-down on its top.
2. Remove Mount Block and screws from carton.
3. Position Mount Block on underside of Workbench top, flush with one edge and one inch from end. (Take a quick look at the block which was mounted in the factory.) Using screwdriver provided, screw in four screws.
4. Remove Vise assembly from carton.
5. Line up Vise centered and tight to Mount Block. Screw in four screws.
6. Stand Workbench upright.

**If your shipment is incomplete, please contact Customer Service.**

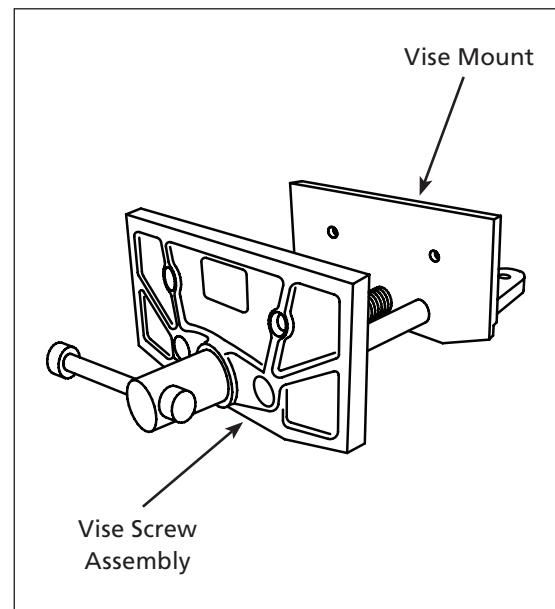

Figure A

### Maintenance

Apply a light household oil to the vise screw once a year. Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

### Construction

Mount Block is solid hardwood, protected with a clear nontoxic finish. Vise assembly is steel.

### User Modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

**Use only replacement parts supplied by Community Playthings.**
