Recommended Use

Your **Preschool Step Stool** enables children from 2-5 years to easily reach an adult height sink or counter with adult supervision. This sturdy maple two-step stool is designed for stationary use. Convenient hand holds enable you to slide the steps to one side temporarily for cleaning purposes. Molded hand rails will help the child's safe ascent and descent.

⚠ WARNING

▲ This product is intended for use by children of immature judgement; therefore, supervision is required at all times.

⚠ CAUTION

▲ Keep the stair tread dry to protect the child from the risk of slipping.

Assembly

Your Step Stool comes fully assembled and ready for use.

If your shipment is incomplete, please call Customer Service.

Maintenance

Regular wiping of step stool will keep it in good condition. Periodically inspect for secure connections, cracks, breaks, loose parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Cleaning

Wipe with a damp cloth and mild detergent. Do not use excessive water.

Construction

Your Step Stool is built with solid maple and hardwood plywood using mortise and tenon joints. Routed hand rails in the sides provide more grip for small hands.
