Recommended Use

Used with the Community Playthings Changing Station, the Wall-Mounted Shelf provides easy accessible storage for each infant's personal items. Locate shelf within easy reach of the Changing Station so the infant will never be left unattended.

This shelf contains a built-in dispenser which can dispense roll materials such as paper towels. It will accommodate a roll up to 12" wide by 8" in diameter. If you do not want the dispenser function, simply remove the dowel and use the space as a shelf.

⚠ WARNING

- ▲ This product is intended for use with children of immature judgement. Supervision is required at all times.

⚠ CAUTION

- ▲ For indoor use only. This shelf is not waterproof.

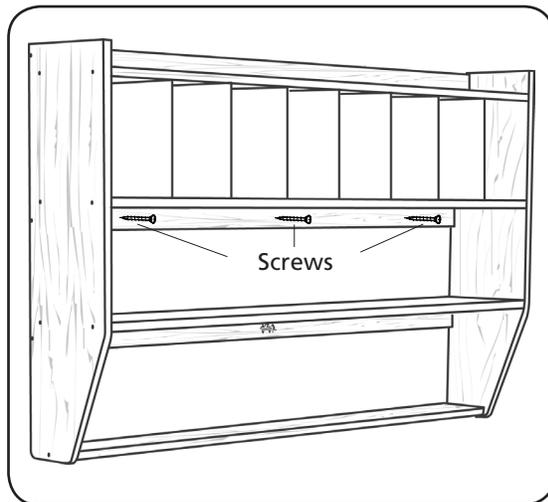

Figure A

Assembly

Equipment comes in a single carton.

The carton contains:

1. One Wall-Mounted Shelf
2. A carton containing seven shelf dividers and a packet of ten label holders and labels.
3. A dowel for the roll dispenser.
4. This Product Guide.

If your shipment is incomplete, please contact Customer Service.

G28 Wall-Mounted Shelf

Figure B

Installation

Installation of your Wall-Mounted Shelf should be done by a competent carpenter or maintenance person.

1. Position shelf at the desired place on the wall.
2. Locate the fasteners to suit the wall construction, with at least one fastener near each end of the cleat shown. (Fig.A)
3. Pre-drill the cleat at these locations.
4. Attach the shelf to the wall with fasteners appropriate to the wall construction and the weight of the fully loaded shelf.

⚠ WARNING

- ▲ The shelf must be properly mounted before use. The customer must assume full responsibility that the shelf will be secure for the long term.

Operation

To install or remove shelf dividers, lift the divider against top of upper groove, then swing bottom of divider to the side. (Fig.B)

To dispense perforated roll materials, pull until perforation is exposed, then pull sharply down and diagonally to the side for easy one-hand operation.

Accessories

The G282 Mirror is designed to be used with the G28 Wall-Mounted Shelf in conjunction with the Changing Station. The Mirror catches a child's attention while changing the diaper. Two screws attach the Mirror to the underside of the lower shelf using the already pre drilled holes.

G28 Wall-Mounted Shelf

Maintenance

Periodically inspect for cracks, breaks, and or loose fasteners. Remove the product from service when any condition develops that might make use unsafe.

Cleaning

Clean shelves with a mild detergent and water. Too much water will harm the finish of the wood.

Construction

This product is made of solid maple, finished with a clear nontoxic finish. The dividers are of birch plywood. All edges and corners are rounded for safety and ease of cleaning.

Packaging Recycling

All our packaging is recyclable in two simple categories:

Packaging Materials	Recycling Category
Cardboard boxes and pads, newsprint	corrugated cardboard
Plastic wrap, sheet foam, foam pads	Plastic #4 LDPE

Please help us preserve the earth for the children and recycle at an appropriate facility.

User Modifications

We are not responsible for modifications made by customers to our products, without our supervision, testing or evaluation.

Ordering Parts

To order replacement parts, contact your Customer Center with a description of the part(s) needed and the ID Code from the product.

Use only replacement parts supplied by Community Playthings.
