R202 Loadstar Trailer

Recommended use

The Loadstar Trailer is designed to support and encourage the active and cooperative play needs of children ages 2 to 6. It is compatible with Community Playthings Roadstar 1 and Roadstar 2 Tricycles.

⚠ WARNINGS

- ▲ This product is intended for use by children of immature judgement and therefore supervision is required at all times.
- ▲ Use only on level ground or indoors. Do not use near steps, sloped driveways, roads, alleys or swimming pools.
- ▲ Riders should always wear shoes.
- ▲ Do not ride between the trike and Trailer.

Maintenance

Keep indoors or under cover when not in use.

Periodically inspect for broken or loose parts. Remove the product from service when any condition develops that might make operation unsafe.

Construction

Finish is a tough baked-on powder coating.

Frame is welded steel tubing.

Floor Board is high strength, light weight, slip free Polyethylene plastic.

Side Board is high strength, light weight Polyethylene plastic.

Wheels are molded tough plastic hubs with rubber tires and precision sealed ball bearings

User Modifications

We are not responsible for modifications made by customers to our products in the field without our supervision, testing, or evaluation.

Ordering Parts

To order replacement parts, contact Customer Service with a description of the part(s) needed and the ID Code from the product.

Use only replacement parts supplied by Community Playthings.
